

AutoMoM — Minutes of Meeting

Meeting: transcript

Summary

The AutoMoM project is nearing the end of its first phase. The team is working on a final pipeline that runs all the modules end-to-end. The final version of the project should be ready for testing next Monday. The project is being led by Shivani, Mehak, Priya, and Shashidhar. The group will meet again next Monday to finalize the pipeline and test it.
